## SCALP TROUBLE LIKE DANDRUFF

Came in White Blisters. Hard and Scaly. All of Hair Came Out. Used Cuticura Soap and Cuticura Ointment. Head Well.

Carthage, Texas.—"My little girl had some kind of breaking out on her head that came in white blisters and when the blisters burst they formed something like scales. If I washed her head and combed the scales off they would come again in just a few days. The trouble looked something like dandruff but was hard and scaly and when the scales would come off all of the hair came also and would leave the head raw. I had tried salves which only softened the scales so I decided to use Cuticura Soap and Ointment. I washed her head with warm water and Cuticura Soap and then applied the Cuticura Ointment and let it remain over night. I did not do this but about four times before her head was perfectly cured. I used only one box of Cuticura Ointment and one bar of Cuticura Soap and her head was well." (Signed) Mrs. Lucile Biggs, Jan. 25, 1914.

# EL PASO GETS HOTEL MEETING

Texas Hotel Keepers Coming in June; Local Men "Bring Back Bacon."

El Paso will entertain the Texas Hotel Men's association in June, 1915. A telegram was received from R. B. Orndorff Monday evening saying that the convention of hotel men at Houston has voted unanimously to come to El Paso next year and more than 2000 hotel men will attend the meeting here.

The convention was obtained for El Paso by R. B. Orndorff, chairman of the convention committee of the chamber of commerce; E. G. Humphrey, of the Hotel Paso del Norte, and C. C. McDonald, who left here for Austin Saturday and attended the meeting to invite the convention to come to El Paso for the chamber of commerce and hotel men.

This is the second big state convention which Burt Orndorff and C. C. McDonald have obtained for El Paso during the past year. The Democratic state convention was obtained by Messrs. McDonald, Orndorff, mayor C. R. Kelly and others, who succeeded in getting the state convention for this city.

**Stop En Route to Fair.**

Being exposition year on the Pacific coast, many hotel men will stop in El Paso en route to the coast and attend the hotel convention here. This is one of the biggest conventions in the state and will be the first visit of the hotel keepers to El Paso to hold its convention. A number of unique entertainment features have been planned for the convention here by the hotel men of El Paso. One day will be spent in Juarez and there will be automobile rides down the valley, a barbecue and other western features.

The exact date has not yet been set for the convention here, but will be decided by the executive committee.

## GIRL GETS ONE-THIRD

**OF RICH MAN'S ESTATE.**  
Denver, Colo., Dec. 8.—The state supreme court Monday sustained the petition of May B. Oles, asking that the distribution of \$50,000 of the late Andrew J. Macky estate be postponed until she had received the one-third to which she claims the right.

The claim is made under a contract between Macky and her father that Macky should raise the girl as his own daughter and provide her with one-third his estate. In sustaining the petition the supreme court declared that it is prima facie evidence that the plaintiff is entitled to the part of the estate claimed.
